11 Motivations

Please let us know – in a few short sentences – why you have decided to apply for participation in a CABS camp. In the field we are a big family and we welcome new people of all ages with mature and open personalities who are prepared to work in small international teams with clear aims and direction. We are a European environmental protection organisation clearly committed to a free and democratic order and the rule of law. Racism, discrimination, intolerance and nationalism have no place in our organisation. A firm commitment to bird and nature conservation and protection of the environment goes without saying!
